

## **HOW TO ORDER ALGAE:**

Go to this website:

<https://algaeresearchsupply.com/collections/algae-culture-kits/products/algae-culture-kit-chlorella?variant=13982199172>.

- Choose the 1-gallon chlorella kit in the drop- down menu and add it to the cart. (This kit should come with 2 - 50 mL tubes of algae!)
- When you are ready to checkout, go to your cart and fill out all the shipping information.
- That is also where you will put in the discount code: Baylor\_Teacher
- If you have a problem or question, please contact Algae Research Supply directly. Identify yourself as a Baylor field test teacher! They are in California so allow for the time difference ☺
