

Organism Cards Key

- The same set of Organism Cards will be used for Lessons 3, 9, and 10 for different purposes.
- Please see directions for each lesson to insure they are used correctly.
- **Correct groupings of organisms** for Lessons 9 and 10 are as follows:
 - Ocean** – diatom, copepods, anchovy, tuna
 - Forest** -Berries, insect, mouse, skunk
 - Tundra**- Moss, Lemmings, Ermine, Snowy owl
 - Desert**-desert grass, cottontail, fox, coyote
 - Grassland**-grass, grasshopper, frog, snake
 - Arctic** -Ice algae, krill, seal, polar bear
 - Pond** (teacher example) -algae, tadpoles, fish, heron
- There is a **separate Key for the food chain activity in Lesson 10.**
- The food chain arrows will be used for lesson 10 only.
