

I don't understand?

I need a fix-up strategy!

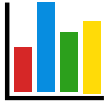

# Fix-up Strategy

A fix-up strategy is...

A tool I can use to help me when I don't understand what I'm reading.

When I use comprehension fix-ups, I can...

- **Look** at the graphs, charts, or pictures in the text. 
- **Read** out loud. 
- **Visualize** or make a picture in my head. 
- **Re-read** the text. 
- **Stop** and **think** about what I already know. 
- **Ask** a friend!
